

“Berlin meets Bangkok”

The Wellness Lounge - unique & incomparable

Welcome to the Relax one hour Wellness Lounge, a modern and stylish approach to well-being.

The Wellness Lounge provides a winning combination of Thai hospitality and German know-how. Our therapies are specifically designed to help provide relaxation and respite from the strains of everyday city life and will leave you feeling replenished and re-energised – all with the guarantee of the highest standards in quality and service.

Relax one hour treatments are a unique blend of the best of European and Asian massage techniques. We offer both short and intensive solutions for:

Health
(Care Treatment)

Stress
(Rebalancing Treatment)

Beauty
(Anti-Aging Treatments)

Therapy highlights include:
